

BECOME A “FRIEND OF ALRE”

The Arizona Latino Research Enterprise (ALRE) was founded by a group of Latino professionals who felt a need to make a positive impact in Arizona and the Latino community with regard to the Latino experience.

Now, you can support ALRE on an individual level by becoming a “Friend of ALRE.” For annual dues of just \$150, Friends of ALRE receive a number of key benefits:

- Free attendance at the ALRE Town Hall in November 2009.
- Free attendance to the Rachel B. Rivera Speaker Series Luncheons.
- VIP invitations to other ALRE events and receptions.
- A copy of the new ALRE/ASU Study, “The State of Latino Arizona” when it comes out in November 2009.
- Regular correspondence and updates from ALRE throughout the year.
